

# CROP CHOICE®

## FERTILIZER 3-18-18+1S

### A LIQUID PLANT FOOD FERTILIZER

FERTILIZER 3-18-18+1S is a high-purity plant food manufactured entirely from high-grade 100% ortho white phosphoric acid (arsenic-free), potassium hydroxide, ammonium hydroxide, ammonium thiosulfate, and low-biuret urea. Containing the sulfur necessary to boost crops, it is one of Crop Choice's highest-yielding products. A very low salt content and balanced nutrient formulation make it exceptionally seed-safe and ideal for foliar feeding.

#### DIRECTIONS FOR USE

Seed-safe to apply in-furrow or foliar to provide the crop the most balanced nutrient foundation containing N, P, K, and sulfur, a necessary nutrient. Contains the highest potassium concentration of the Crop Choice formulations.

#### CONDITIONS OF SALE

Recommendations for use of this product are believed to be accurate. As with all products, weather, timing, crop conditions, location, and many other factors are beyond the control of SOIL Service, Inc., and no written or implied warranty is given for product performance.

<b>GHS – CLASSIFICATION</b>		<b>NO GHS HAZARDS</b>
Not a dangerous substance or mixture according to the Globally Harmonized System (GHS).		
<b>Hazards Not Otherwise Classified (HNOC):</b> Not applicable	<b>Hazard Statements:</b> No physical hazards	<b>Emergency Telephone:</b> 217-357-2360
