

Max72-SRN®

FERTILIZER SUPPLEMENT

Max72-SRN contains 72% slow release nitrogen, which is the maximum percentage available on the market. Foliar feeding minimizes nitrogen loss and coats leaves, lasting for weeks while being absorbed by the plant tissue. Its staying power makes it an ideal delivery partner for both crop protection chemicals and glyphosate herbicides.

DIRECTIONS FOR USE

CORN: Foliar apply up to 5 gallons per acre any time extra nitrogen is needed.

SOYBEANS: 1–3 gallons per acre at early pod. Apply 1–2 gallons per acre any time with your glyphosate.

WHEAT: 1–5 gallons per acre at flag leaf stage depending on residual soil fertilizer or rainfall, etc. Flag leaf stage according to the Feekes scale is generally the sixth or seventh true leaf on the main stem of the plant. Can be applied with herbicides at 1–2 gallons per acre. Can also be applied with Tilt® in low volume or undiluted.

KEEP OUT OF REACH OF CHILDREN

GHS – CLASSIFICATION		NO GHS HAZARDS
Not a dangerous substance or mixture according to the Globally Harmonized System (GHS).		
Hazards Not Otherwise Classified (HNOC): Not applicable	Hazard Statements: No physical hazards	Emergency Telephone: CHEMTREC (US): 217-357-2360
Signal Word: None		Product Name: Crop Choice Urea Triazone 30
Precautionary Statements:		
GENERAL PRECAUTIONS	As part of good industrial and personal hygiene and safety procedure, avoid all unnecessary exposure to the chemical substance and ensure prompt removal from skin, eyes, and clothing.	

GUARANTEED ANALYSIS

TOTAL NITROGEN (N)* 28.0%
 Urea nitrogen 7.8%
 Slowly available water soluble nitrogen* 20.2%

* Derived from urea, polymethylene urea, methylene diurea, and monomethylol urea.

Net Weight per Gallon: 10.7 lb. / 4.9 kg. LOT #:

CONDITIONS OF SALE

Recommendations for use of this product are believed to be accurate. As with all products, weather, timing, crop conditions, location, and many other factors are beyond the control of SOIL Service, Inc., and no written or implied warranty is given for product performance.
